All of the deeds, transfer affidavits, pre and rescind affidavits have been processed.

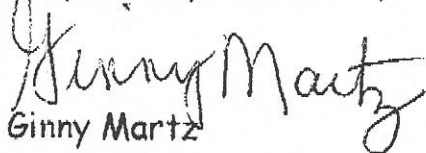

We have been field inspection properties. The pictures are attached, but the cards have not been updated. We will be inspecting the new and ongoing construction shortly.

The Township computer was updated with the latest data and attachments on September 12.

September 30th is the cutoff date for the sales that are used in the sale studies, land value studies and ECF studies.

I will continue to keep you informed on the assessing process.

Respectfully submitted,
