

# Bear Lake Township Fire and Rescue

---

**July 2016**

**Percentages of runs and man-hours thru July 18, 2016-** see attached schedule

## **Fire Dept. Business**

We have received lots of compliments on the kids event on Bear Lake Days. We also participated in the parade and had the boat out on the water for the fireworks show.

We put a new battery in 178 (rescue boat).

170 has now had its DOT completed after the exhaust system was replaced.

## **CERT Business**

CERT was deployed to help with Traffic control at the Bear Lake Days Parade.

## **Public Comment-**
