I would like the board to take Jack, Jesse, and Dillion off of Probation status and changing them to Firefighter Status.

Both 170 and 171 passed their pump and ladder certification.

The Department will be going up to the Migrant Headstart on Nurnberger rd on September 27<sup>th</sup> to go over some fire prevention education.

Was dispatched on September 16<sup>th</sup> to assist Manistee Township FD with traffic control at a long event traffic accident.
