

Bear Lake Township Fire and Rescue

October 2016

Percentages of runs and man-hours thru October 17, 2016- see attached schedule

Fire Dept. Business

We hosted the Bear Lake School first grade class on October 13th for fire prevention month. We educated and demonstrated fire safety to them. They all received a fire prevention care package from the BLFD.

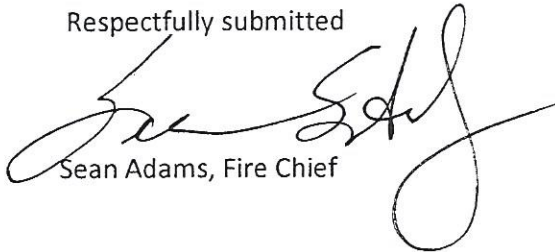

In a continuation of keeping our members safe I would like to buy a set (2) of 18" LED Stop/Slow signs for night traffic control. The cost will be approx. \$650.00 with shipping.
