Bear Lake , Michigan 49614

April 12, 2016

Quartly Meeting

Bear Lake Planning Commission

The meeting was called to order at 7:08 pm. by Bill Ringel. Roll call was taken. Planning commission members present: Janette May, Cindy Zatarga, JR Bowling, Bill Merriman and Bill Ringel.

The minutes from the previous meeting on March 1, 2016 were reviewed. Motion by Janette May, second by Bill Merriman, to approve the minutes as printed. All voted in favor.

We have recieved no information from our lawyer Bryan Graham from our meeting last month. We are very frustrated with the lack of progress.

We reviewed the land use application. Our suggestions to improve it are:

- a} add Planning Commission on the front so they get a copy
- b} put a date on the bottom of part 2 so it is clear when the permit will expire
- c} have a section as to whether there is a land survey and when it was done
- d} decided on a flat fee of \$75, payable to Bear Lake Township

Ther being no further business, motion to adjourn the meeting at 7:55 pm. by JR Bowling and seconded by Bill Merriman. All in favor.

Respectively submitted,

Cindy Zatarga, Secretary

Bear Lake Township Commission
