

BEAR LAKE TOWNSHIP PLANNING COMMISSION

7771 Lake Street

Bear Lake, Michigan 49614

July 11, 2017

Quarterly Meeting

Bear Lake Township Planning Commission

The meeting was called to order at 7:10 pm by Chairman Bill Merriman. Roll call was taken. Planning commission members present: Janette May, Cindy Zatarga, Jr. Bowling, and Bill Merriman.

Minutes from our previous meeting on April 11, 2017 were read and reviewed. Motion by Bill Merriman and second by JR Bowling to approve the minutes as printed. All in favor.

We held discussion regarding the three ordinances we have been working on for some time. Those being the wind energy, medical marijuana and accessory buildings. We had them from the lawyers, they were approved by the county with a few minor corrections, we held a public hearing where there was no opposition to them and have now sent them to the Township board to be voted on. We will await their decision.

We reviewed the recently approved building permits submitted by Vern Bowling, Zoning Administrator. Some look not to be complete and need to be corrected. We request the Township Supervisor to work to get them completed.

We reviewed our fee schedules as compared to Onokamas'. We feels ours are comparable and do not need to be adjusted.

At our next meeting we will revisit the Land to Lakes Regional Initiative that was adopted September 16, 2014

There being no further business, motion to adjourn the meeting at 8:15 p.m. by JR Bowling and seconded by Cindy Zatarga. All in favor. Our next meeting will be the quarterly meeting on October 10, 2017

Respectively submitted,

Cindy Zatarga, Secretary

Bear Lake Township Planning Commission
