

# Join Us for an Open House

Bear Lake Township is updating its Master Plan and we want to hear from you. The Master Plan provides a narrative of the community: its past, present and future.

Your input and what we learn from this session will help inform the Master Plan's Goals & Objectives and will play an important role in the Township's 2023 effort to update the Zoning Ordinance.

Please join us for a Community Open House, facilitated by Networks Northwest, to engage with other community members on Bear Lake Township's future.

**When:**

June 14th, 2022 at 6pm

**Where:**

Bear Lake School

7748 Cody Street

Bear Lake, MI 49614
